KENNEDY NGUYEN

Seattle, WA | (206)-519-2821 | kcnguyen206@gmail.com | kcvn05 | kcvn05.github.io

EDUCATION

University of Washington - Seattle, WA **Graduation: June 2027**

Bachelor of Science in Biomedical and Health Informatics

GPA: 3.4 | Dean's List (2025-2026 Academic Year)

Revenant Coursework:

- INFO 360 Design Methods
- INFO 340 Web Development
- INFO 442 Cooperative Software Development
- INFO 380 Product and Information Systems Management

TECHNICAL SKILLS

- UX/UI Design & Prototyping
- Figma
- User REsearch
- Interaction Design
- Visual Design
- Usability Testing
- Accessibility
- Responsive Design
- Frontend Development

RELEVANT PROJECTS

Collaborative Cooking Application Prototype (Figma, User Interviews, Wireframing, Interactive Prototyping)

- Conducted user 3 interviews to uncover user needs, behavioral patterns, and pain points surrounding collaborative recipe sharing.
- Translated research findings into user-centered design concepts and interactive Figma prototypes.
- Iteratively refined interface designs through approximately 4 iterations, incoporating user feedback to improve usability and interactions.

Student Registration System Analysis (Jira, Agile Framework, Requirements Analysis, Workflow Modeling)

- Translated system requirements into 8 project epics and 46 user stories, establishing a structured development roadmap.
- Defined roughly 4 acceptance criteria per user story to clarify functionality, expected behavior, and project objectives.
- Constructed workflow models and dataflow diagrams to visualize system processes and functional relationships

Educational Learning Platform (JavaScript, UI/UX Design, Accessibility)

- Developed frontend interface components for an educational platform designed to encourage independent critical thinking among middle school students.
- Implemented interactive JavaScript functionality to support user engagement and streamline application workflows.
- Integrated frontend functionality with Firebase-supported authentication and student progress tracking while contributing accessiblity-focused design improvements.

PROFESSIONAL EXPERIENCE

Seasonal Sales Associate, H&M **Nov 2025 - Jan 2026**

- Supported a high-volume retail environment by assisting customers and maintaining clean, safe shopping areas.
- Organized and restocked merchandise across departments to maintain inventory accuracy and visual consistency.
- Collaborated closely with team members to meet daily operational goals and uphold H&M's service standards.

Cultivate South Park **Feb 2021 - Dec 2022**

- Provided friendly, informed assistance to 100+ event attendees per shift, ensuring positive visitor experiences.
- Promoted brand visibility by engaging with the community and representing the organization's mission professionally
